DISCOVER THE POWER OF NEEM™

Cooling, Soothing & Astringent

WHAT IS NEEM?

Neem is the best-kept beauty secret of Ancient India.

Neem Leaf and Oil contain a synergy of **soothing and nourishing Essential Fatty Acids** (Omega 3, 6 & 7) and **cooling and astringent Antioxidants**.

Neem helps to protect the integrity of the skin and prevent or minimize signs of aging for all skin types. Neem helps to restore and prevent dry, cracked and rough skin. Neem can even out and brighten skin tone & texture. **Neem is perfect for all skin types from normal to mature to challenged skin.**
