NEW

Did you know that for thousands of years, people in India have cleaned their teeth with Neem twigs?

Step 1: Neem Toothpaste

Supports healthy teeth and gums with certified organic supercritical extracts of Neem Bark & Neem Leaf. Both flavors, Original Mint & Homeopathic Friendly Cinnamon, are all-natural concentrated herbal formulas with no added flouride, SLS or parabens.

Step 2: Neem Mouthwash

Now you can choose from: Original Mint or **NEW** Homeopathic Friendly Cinnamon. Both formulas contain certified organic supercritical extracts of Neem Leaf, Clove Bud & more. These alcohol-free formulas taste great. Choose Neem Mouthwash for fresh breath and a healthy mouth.

Step 3: Internal Support

Supercritical Extract of Neem Leaf is rich in Antioxidants known for supporting the immune system and overall oral health.

For more information about Neem, visit www.organixsouth.com or call 800-232-3142.
